### Board of Directors

Our current Board of Directors consists of professionals who are committed to empowerment and advocacy for individuals with disabilities. They include past/present service providers, advocates, community and family members.

### Criteria

Imagine is working to diversify the board, seeking additional members who can commit to our mission and help us with strategic direction and decisions. We welcome anyone who is open to sharing their community connections and contributing their skills and experience. At this time, we are seeking a GAAP-trained treasurer and a legal perspective and expertise.
